- English** – description and explanations

A brand new programme we are developing in partnership with Birmingham Museum, home to part of the Staffordshire Hoard, the largest cache of Anglo Saxon gold ever found. We will try to unravel its secrets by exploring Anglo Saxon every day life and culture as seen through the eyes of a child living in the 8th century, when the Kingdom of Mercia was engaged in battles over territory with rival Viking settlers to the north. The programme will include links to the museum and its stunning exhibits.
