Where There's Smoke
 Key Stage 1

Curriculum areas:

History - significant national events, historic figures

Design and technology - using different construction materials, building structures

The children travel the burned out streets of London in the company of Al who has been made homeless by the fire and is looking for his beloved cat, Lucky. As they search, they meet characters from the time such as diarist Samuel Pepys and explore their reactions to the dramatic events of September 1666. A very practical programme with lots of hands on, creative activities.
