Stargazing
 Key Stage 2 (Years 5 & 6)

Curriculum areas:

Science - earth and space, forces, scientific vocabulary
English - considering different viewpoints, speaking for different purposes

It is Florence in 1633 and the great scientist and astronomer Galileo is about to arrive and give a demonstration of his discoveries that question current thinking. When the terrible news comes that he has been arrested as a heretic, the children need to decide whether to defend his ideas – should Galileo face death in the name of science or remain silent and live a life of quiet study?
